ALL HINGED ON THE SHOT PUT.

Clark, the Crimson Athlete, Finally Gets
Second Place in This Event,
Leaving the Honors Even.

Cambridge, May 8.—Pennsylvania and Harvard fought each other to a tie this afternoon on Holmes Field in their annual dual athletic games, each scoring a total of fifty-six points. Although there were no records broken, the marks were fast almost without exception, and every event was very closely contested.

The early contests seemed to give Harvard a sure victory, but the crimson's hopes were soon blighted, and as the shot put, the last event on the programme, was being contested, the visitors were congratulating themselves on a clean victory over the crimson. Indeed, half of the spectators had left, believing that the red and blue had triumphed, when Ellery Clark, on his last trial, made the put which saved the day for the crimson.

Harvard has a clean sweep of points in the quarter and in the high hurdles, while they were shut out by the Quakers in the mile only. Harvard scored six firsts, nine seconds and eight thirds in Pennsylvania's eight events, and six seconds and six thirds in Harvard's. The Pennsylvania timber-toppers were completely shut out in the trial heats of the 120-yard hurdles, and it was all too easy for the crimson. In the low timbers, however, it was a different story. McKibbin and Remington, of Pennsylvania, and Morse and Warren, of Harvard, qualified for the final heat. It was a hard, fast race, Morse winning by a bare margin over McKibbin, and Remington taking third place. On one of his last hurdles Warren tripped and fell, and thereby lost a sure third and possibly a second prize for Harvard.

In the 100-yard run, after two fast trial heats, Roche, Bigelow and Denholme were left for Harvard, while Hoffman was Pennsylvania's sole survivor. The Philadelphia proved himself second in the first heat, but was the worsted in 10 seconds. Denholme was not a foot behind him at the finish, with Bigelow a close third.

The quarter-mile was a Waterloo for Pennsylvania, though their flyer pushed the crimson to fast time. Hollister and Vincent finished first and second respectively without much trouble, but it was neck and neck between Fish and Williams of Pennsylvania for third place. Williams led the Harvard runner till the last turn, and then the stretch refused to be shaken. Just at the finish Fish with one last effort forged to the front and vanquished his rival by half a yard.

The two mile events were of little interest. Starbuck made a fruitless effort for a place in the run, but he finished fourth, and Pennsylvania took all the points, with the crack-Jack Orton an easy first. The mile walk was a long procession, with the contestants straggling out thirty yards apart, and the winners finishing without a struggle.

The Half Mile a Pretty Race.
The half mile was a pretty race, with the peerless Hollister, of course, an easy winner. The Harvard flyer kept well in the bunch until the middle of the course, quarter, when he pulled away and came into the stretch well in the van. Fennel gave Orton and Lane a good argument, and closed close to him for third place at the finish.

The 220-yard race was a terrific one. Hoffman and Hoffman, of Pennsylvania, and Denholme and Bigelow, of Harvard, qualified for the final heat. It was neck and neck between Denholme and Hoffman down the stretch, with Bigelow and Hoffman close behind, each straining every nerve and muscle to shake the other. Hoffman won out by a small margin, leaving the other two places to Harvard.

The bicycle race was ridden in the morning on the Charles River bicycle track, and Starbuck, of Harvard, won the final heat after a close and exciting brush with Starbuck.

More than average marks were made in all the dual events. Winner of Pennsylvania developed unexpected prowess in the high jump, and took first place with the splendid jump of 6 feet 3 1/2 inches. The other two places went to Harvard.

Broad Jump Harvard's Score.
The visitors had things pretty much their own way in the hammer throwing and in J. P. Remington brought sorrow to the hearts of the crimson's supporters by clearing 22 feet 8 inches, taking first place in the hammer throw.

The shot put was the last contest to be finished, and it was an exciting one. Harvard led 54 to 30, but McKibbin was sure of first. The best possible shot Harvard could do was to secure second, this being the game. This seemed doubtful, however, as McKibbin had a put of over 40 feet. On his last put, however, Ellery Clark sent the shot 40 feet 4 1/2 inches, which was an easy second place, and tied the score on the day's contest.

Harvard protested Orton in the mile run on the ground that he had fouled a crimson man, but the protest was overruled.
